

Pinning the RACM Website to an iPhone Home Screen

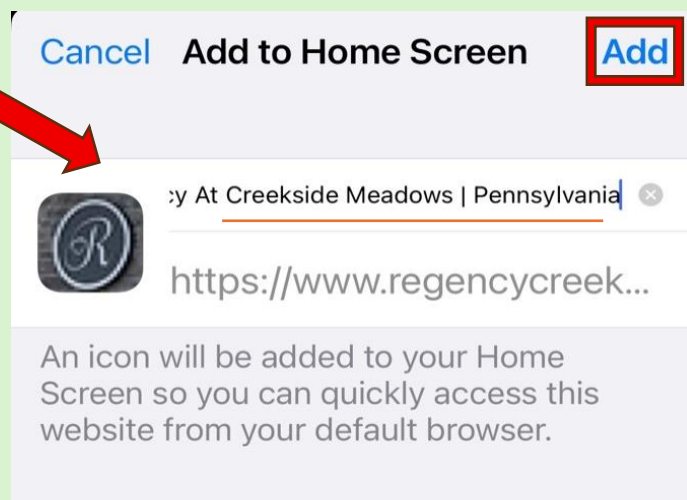

Step	Action	Illustration
1	Locate and click on the Safari Browser Icon on your Apple device.	
2	Find the Search Bar. Click on the search bar and type: regencycreeksidemeadows.org and then click "GO".	
3	The RACM Website home page will show up on your screen. Tap the Share icon (square with upward arrow at the bottom).	

4 Scroll down and tap 'Add to Home Screen'

5 Enter a name for the shortcut if desired.

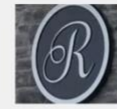

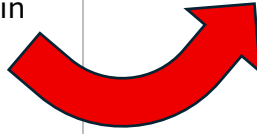

Tap 'Add' in the top right corner.

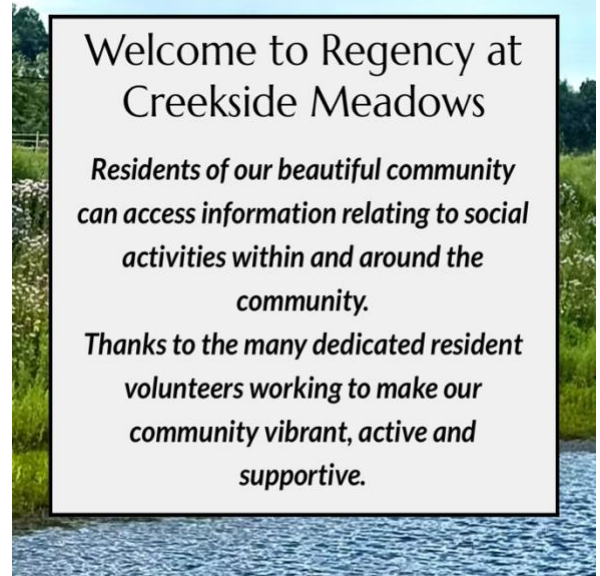

6

To access the website, click on the RACM icon and the Home Page will appear.

To access the additional web pages on the website, locate the box containing the three lines in the upper left corner of your screen and click.

Regency at Creekside Meadows

7

This screen will show a menu of all the pages on the website. Click desired link in the list on the left to access additional pages on the website (e.g. Calendar, Events, Clubs/Groups, GFWC Women's Club, Lehigh Valley Living, and MRH Enterprises and Contacts).

To return to the menu list, click on the square box in the upper left-hand corner.
