

Pinning the RACM Website to an Android Home Screen

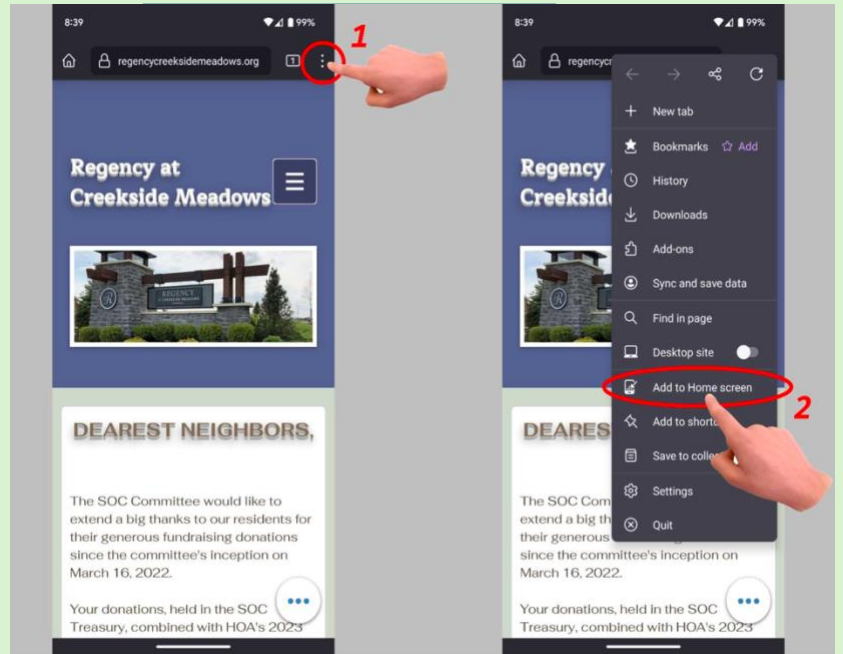

Step	Action	Illustration
1	Locate and click on the Firefox or Chrome web browser Icon on your Android device.	 The illustration shows two web browser icons side-by-side. On the left is the Firefox icon, which is a purple and orange flame-like shape with the word 'Firefox' written below it. On the right is the Chrome icon, which is a circular logo with red, yellow, green, and blue segments and the word 'Chrome' written below it.
2	Find the Search Bar. Click on the search bar and type: regencycreeksidemeadows.org and then click the proceed arrow.	 The illustration is divided into two parts. The top part shows a dark-themed mobile search bar with the Google 'G' logo on the left, the text 'Search or enter address' in the center, and a tab indicator with the number '0' and a menu icon on the right. The bottom part shows a mobile screen with a keyboard. At the top, the time is 8:39 and the battery is at 99%. A red number '1' is placed above the search bar. The search bar contains the text 'regencycreeksidemeadows.org' and is circled in red. Below the search bar, the text 'Google Search' is visible, followed by a search icon and the text 'regencycreeksidemeadows.org'. Below that, there are icons for 'Scan' and 'Search engine'. The keyboard is visible, and a red number '2' is placed next to the 'proceed' arrow button (a circle with a right-pointing arrow) which is being pressed by a finger.

3

The RACM Website home page will show up on your screen.

Look for the three vertical dots in the upper right of the browser and click on them. This will bring up the context menu as shown below on the right.

Look for the “Add to Home screen” menu option and click on it.

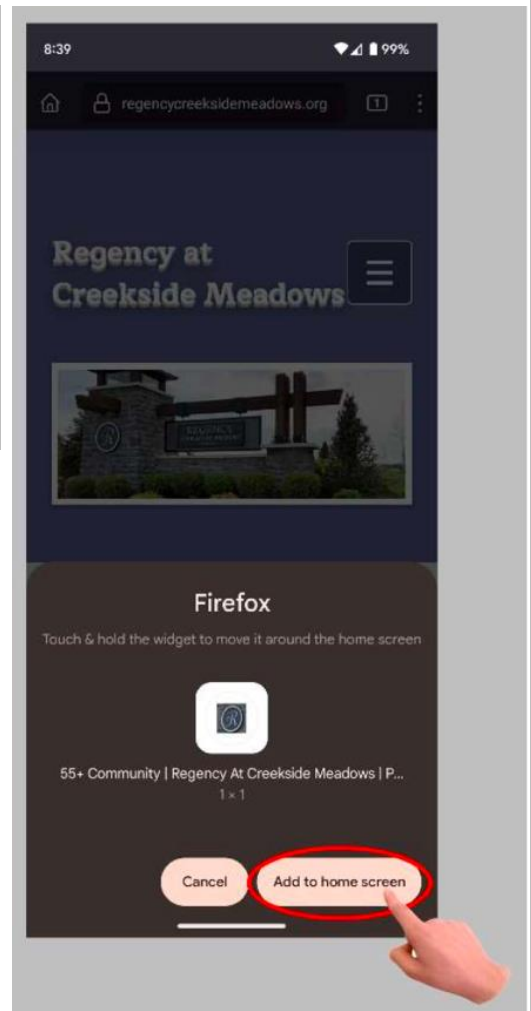

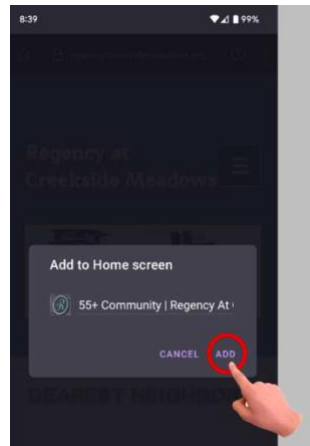

4

An “Add to Home Screen” pop-up should appear. Click on “ADD.”

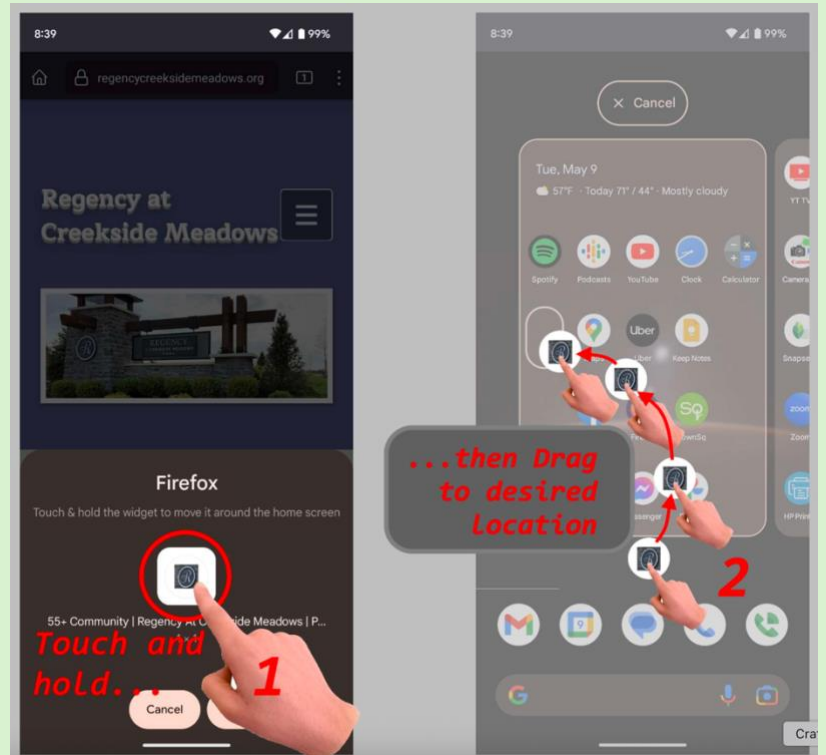

(If you want to quickly add the website icon in a position of your choosing on your Home Page, skip to Step Five.)

To add the website icon to your Home Page in a position chosen by Android, just click on the “Add to Home screen” button as shown in the figure on the right. This will add the icon in an available spot on your home page.

5

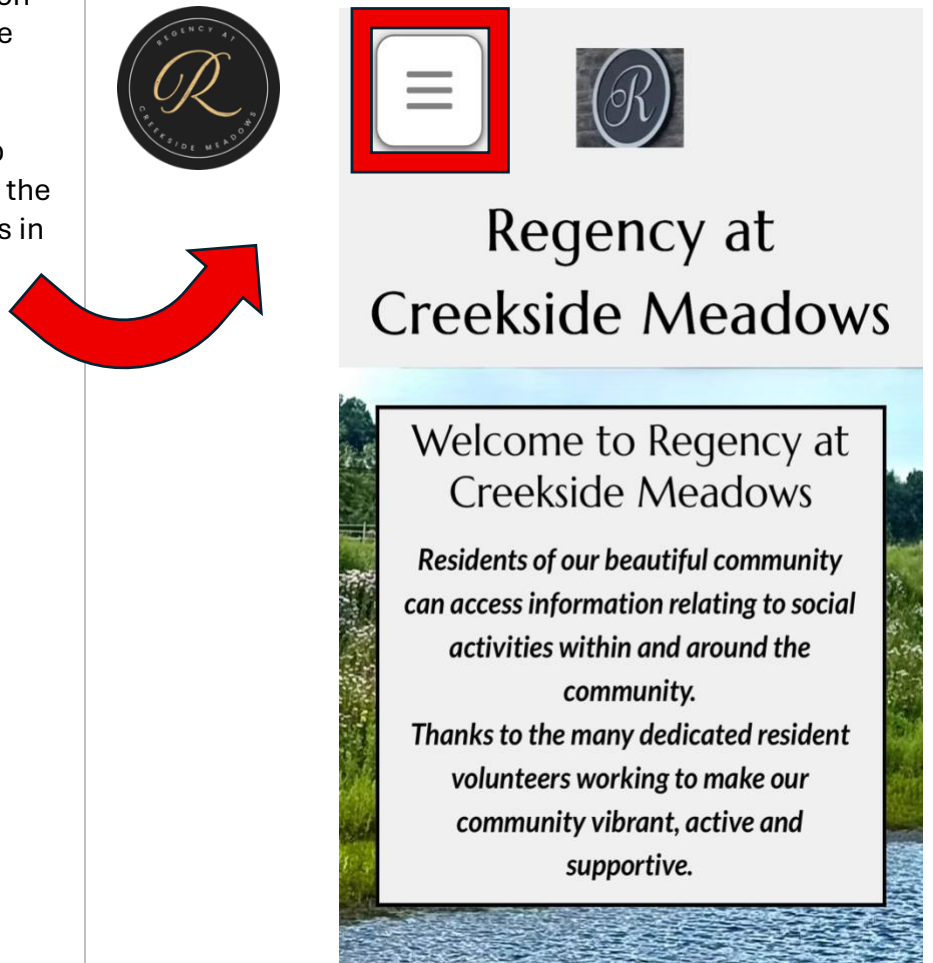

While touching and holding the website icon . . . drag it to the desired location on the Home Page and then let go.

6

To access the website, click on the RACM icon and the Home Page will appear.

To access the additional web pages on the website, locate the box containing the three lines in the upper left corner of your screen and click.

7

This screen will show a menu of all the pages on the website. Click desired link in the list on the left to access additional pages on the website (e.g. Calendar, Events, Clubs/Groups, GFWC Women's Club, Lehigh Valley Living, and MRH Enterprises and Contacts).

To return to the menu list, click on the square box in the upper left-hand corner.

Events

Clubs/Groups

GFWC Women's Club
